**WHAT'S BEEN YOUR  
HAPPIEST MEMORY THIS  
PAST YEAR?**

My happiest memory from the past year was celebrating my sister's wedding. The joy, love, and laughter shared with family and friends made it an unforgettable day. Witnessing her happiness marked a beautiful moment in our lives.

Last year, a spontaneous weekend getaway with friends stands out as my happiest memory. Exploring a quaint town, trying new activities, and sharing endless laughter created a bond that enriched our friendships. The simplicity of that unplanned adventure made it truly special.

**HAS A STRANGER EVER  
CHANGED YOUR LIFE?**

A stranger once recommended a book that ended up changing my perspective on life. Their casual suggestion had a profound impact on my way of thinking.
